This warranty applies to: ST92F Non-Blowback Airsoft Gas Pistol - Black [STTi] GG-104  
Order: ZS-315/20/BGV  
Sold on: 2020-07-03

1. This warranty period is 6 months from the date of purchase of the goods.
2. In order to use this warranty it is necessary to submit this warranty card and purchase proof ( a VAT invoice or a fiscal receipt). Failure to produce one of the above documents may result in Seller's refusal to perform warranty services.
3. Warranty claim has to be done in writing and include the precise reason for such a claim as well as Buyer demands related to it . Failure to fulfil these conditions may result in Seller's refusal to consider the claim.
4. The claimed goods have to be delivered to: Krakman, st. Pollanki 18 Gate 18, 30-740 Kraków. The cost of transport (postage) to and from the Seller is on the cost of Buyer. The Buyer also takes all risk related to it. The cost of possible transport/postage insurance ,insured exclusively on written request sent by post or e-mail to the Seller is to be covered by the Buyer.
5. Warranty DOES NOT COVER mechanical or any damages caused by the wrong operation or usage for other purposes that it is made for , natural wear of material and damages caused due to the fault or negligence of the Buyer and made by the act of nature. It concerns in particular following consumable parts that are subject to normal wear during operating this replica:
  - seals, valves, connections and other rubber parts;
  - levers, plates, toothed wheels, gear and spring;
6. ASG replicas are exclusively for playing and their functionality, repeatability of construction, parameters, solidity and reliability cannot be compared to the original weapon. The warranty DOES NOT COVER any claims resulting from technical parameters of a replica and in particular such ones as inability to achieve perfectly flat trajectory of a ball, differences in capacity and range between individual items of the same model , short fitting of magazines and bodies, reduced repeatability of individual shots' ballistics and others that may happen in each AEG replica irrespective of the manufacturer. Such things are not treated as faults and may require that the user removes them on his own. It is also possible that they cannot be removed at all.
7. It is assumed that the user makes on her/his own regular maintenance of a replica such as cleaning, charging battery, periodical checking screwed connections and lubricating Hop-Up system through a magazine seat with the use of silicone grease (not included in a set). Failure to do so may result in Seller's refusal to recognize a claim.
8. The Seller has the right to refuse free warranty services in each of the following cases:
  - warranty seal is removed or has traces of damage;
  - there are traces of dismantling a replica by a user;
  - a replica was modified (it also includes any modifications made by the Seller on request of a Buyer) and in particular by fitting a harder spring, using batteries with not improper voltage that may result in bigger stress acting on original parts and all other modifications that result in higher mechanical tensions of all replica's and its individual components;
  - a replica was used in low temperatures ; below 0 centigrade when shock strength of replica's materials is reduced, using balls of improper quality (irregular shape, material feed heads), reusing balls that were shot or using dirty balls;
  - a replica has traces of misuse (in particular a simulation or real hand to hand fight, prolonged exposure to adverse weather conditions, immersing in water or fluids, exposure to active or corrosive chemical substances and so on).
9. Warranty for parts (components) and cost of labour ; it covers a correction of defects that are subject to claims in compliance with this warranty. The Warranty DOES NOT COVER resulting from the lack of replica's compatibility and does not secure rights to claim the return of lost profits.
10. The parts or components that are replaced under this Warranty are the property of the Seller .
11. The Seller has the right to refuse a repair when such repair is impossible due to the acts of cause majeure (for example, example a natural disaster or war) import and legal restrictions or similar.
12. Duplicates of this warranty cards will not be issued.
